**\$1.3 MILLION DRUG SHIPMENT** was confiscated behind Park Street Saturday afternoon by federal agents and police. What the shipment of boxes containing musical instruments concealing the 600 pounds of hashish looked like in the former lumber shed is shown in photo at left. Officer Richard O. Aumais of the Andover police looks over part of the 30 crates which were trucked into the

rented quarters where the illegal drugs were seized. The crates had been broken open by the raiding party before the photo was made. At the right, two wooden boxes are shown in the trunk of a rented car, ready to be moved from the former Pitman Lumber Co. storehouse before enforcement officials moved in. Open box at left shows the slabs of hashish which had been shipped here from India.

## Professional Study Of Housing Planned

Sound town planning toward additional lower-income housing in Andover was recommended last week, and the TOWNSMAN learned

that the Finance Committee has already earmarked \$10,000 in 1970 Planning Board funds for a professional land study, with this in mind.

The Andover League of Women Voters concluded a two-year study of housing with a letter to Town Manager Maynard Austin this week, urging a carefully-planned

## Kindergarten Survey Is On

The Andover School Department has requested parents of children who are to enter the Public School kindergartens in September to send the following information to the school in their district. The child's name, address, date of birth, and the father's name.

This information may be sent by mail or by a neighborhood child to the principal of the school by March 13.

A child may enter kindergarten provided he will be five years of age on or before January 1, 1971.

## Andover Spotlited As Drugs Are Seized

The town of Andover was in the spotlight this week after a \$1.3 million shipment of the drug hashish -- a narcotic derivative of marijuana plant flowers -- was seized in a former lumber storehouse in the rear of 63 Park Street Saturday afternoon.

The raid by federal narcotic agents, assisted by Andover and State police netted the drug shipment which had originated in New Delhi, India, and was unloaded at Logan International Airport, Boston, on Feb. 4.

Agents characterized the hashish haul as the nation's

greatest.

The hashish was hidden in false bottoms of more than a score of crates consigned to the Afro-American Music Co., Post Office Box 41, Lawrence, Mass.

Covering the false bottoms were musical instruments and incense.

Arrested at the scene were: Stephen Curwood, 22, 383 Johnson St., North Andover; Anthony W. King, 32, 83 Raymond St., Cambridge; and Norman B. Casas, 22, South Road, Deerfield, N.H.

The trio was arraigned before a U.S. Commissioner in Boston following their arrest and charged with receiving and concealing il-

## Boy Scouts 'Take Over' Town Officials' Posts

Boy Scouts took over the town hall on Friday the 13th and managed to keep bad luck from striking the town on this Youth in Government Day.

More than a dozen scouts served as town officials for the afternoon, or took on projects as private citizens approaching town departments with problems.

David Lindsay, son of Veterinarian Dr. and Mrs. Richard Lindsay, Lowell Road, was town manager for the afternoon, while James Holmes, son of Mr. and Mrs. John Holmes, 25 Strawberry Hill Road, was chairman of the selectmen.

The program was sponsored by the Recreation Department in cooperation with scouting authorities, and the learning-by-doing experiment involved the cooperation of most of the town officials, and Selectman Roger Collins and Sidney White.

A Scout "Selectmen's meeting" was held, assignments were carried out, town officials interviewed on a number of problems and issues, and the entire program evaluated after a refreshment break.

The issue arousing most interest among the afternoon's proceedings grew out of Charles Galbiati's

interview of Librarian Miss Frances Bold, and concerned parking and the whole issue of downtown development.

**SELECTMEN ON HAND-SUB**  
Selectman Roger Collins greeted the young administrators at their orientation and assignment meeting in the Conference Room, and fellow Selectman Sidney White was on hand for the Scout "selectmen's meeting", and the latter half of the program.

As vice-chairman of the selectmen, Ken Elowe interviewed Mrs. Nadeau of the Board of Health, while secretary Brian Burokas interviewed Police Chief Nicoll. Scouts Rodney and Jon Bentley talked with Assessor William Russell and Tax Collector Myron Muise.

Scouts Jeff MacBride, Tom Tucker, Wright Craig, Robert Roulston, Tom Fearnland, Jim McLellan took on interviews with town officials on problems relating to the elderly, civil defense, veterans' services, zoning, building permits and other problems which town government serves.

According to Recreation Director Leslie Bartow and Michael Perkins, from the Scouting office, families of the participants can expect some informed questions and discussions from now on.

## New Programs In Phys. Ed.

Keeping in line with the school department's sequential educational plan, which begins with Kindergarten and continues through graduation, the elementary physical education program now includes Kindergarten in four schools. Classes have operated at Bancroft and Shawsheen, and since January have started at the Central and Sanborn schools. Close to 300 Kindergarten children are receiving Physical Education.

Extracurricular programs have also been established at various schools. Voluntary physical education classes are held daily at Central, Stowe, and Bancroft schools. Fifth and sixth grade boys and girls participate in Central and Stowe School programs, while at Bancroft, basketball, hockey, and gymnastics are offered. At the Sanborn, a very successful soccer program was conducted during the fall, and a basketball program is now being planned.

Motor training activities are held at the Bancroft, South, Central, Stowe, and Shawsheen schools. These activities are geared for perceptually handicapped students.

With the acquisition of new equipment and modern resource materials such as exercise machines, balance beams, parachutes, rhythmic poles, and hockey sets; each school's program enables the students to receive a more flexible and improved program of skills and activities.

## Slides On India To Be Shown

Merrimack College associate professor of religious studies, Dr. Henry Suld, will give a presentation of slides and tapes from his recent trip to India tonight, at 7:30 in Alumni Hall of the McQuade Library at the college.

Dr. Suld will relate his impressions of the life and philosophy in modern India. He will present taped interviews with a number of Hindus, and through the use of the tapes and slides he will present a graphic view of life in India today. He is also willing to attempt to answer any questions from the audience.

The presentation is sponsored by Merrimack's Schlessinger Society, and admission is free and open to the public.

## VFW Memberships

Andover VFW Post 2128 is accepting memberships for 1970. Any member of the armed forces who has served overseas, including Vietnam, is eligible to join.

Patrick Flynn will be at the Post Headquarters, Musgrove building, Mondays from 7 to 9 p.m. and is also available at his home, 53 Summer St. He will provide information on membership.

## Guest Speaker At Temple

The annual Interfaith Sabbath will be observed Friday evening at 8:15 p.m. at Temple Emanuel, 483 Lowell St., Lawrence. This will be part of the observance of Interfaith Month.

Very Rev. John A. Aherne, O.S.A., president of Merrimack College will be the guest speaker. Father Aherne and Rabbi Harry A. Roth will participate in a Dialogue from the pulpit.

The general public has been invited to attend this annual Interfaith service.

## Susskind Will Speak

On Sunday evening, Feb. 22, at 7 p.m. in the Assembly Hall, The Sunday Evening Series of The Phillips Exeter Academy will present David Susskind, television, stage, and movie producer, who will speak informally about some of the lighter behind-the-scenes moments of his experiences as

## Lenten Series Opens

### Churches Confront Changing Times

The first meeting in a Lenten series "Perspectives for Change at the Crossroads of the 70's," sponsored by Free Christian, South and Christ Episcopal churches was held Wednesday evening in the upper parish hall of the Free church. The meetings will continue on Wednesday evenings through March 18.

"Has the adult world in America proclaimed values about which it is uncertain and upheld practices which contradict its professed beliefs? Has youthful inexperience too easily condemned institutions, customs, and procedures which it did not understand or whose complexity prevented simple action?" Such questions were aired by PA Research Director, Frederick Peterson, and PA student, George Follansbee, Jr., in a panel, chaired by PA assistant chaplain, James S. Whyte, on "Adult Hypocrisy and Youthful Naivete."

The three churches, cooperating in efforts toward more effective work in the Andover community, are seeking at the local level to implement some of the plans made nationally by the Consultation on Christian Unity (COCU) which will shortly bring major denominations into closer organizational and confessional

ties. A concelebrated communion service was performed last night, following the topic discussion, to indicate the cooperative fellowship of the churches. The ministers, Rev. J. Allyn Bradford, Rev. J. Everett Bodge, and Rev. J. Edison Pike performed the communion according to a liturgy developed by COCU.

Meetings still to follow in the series, designed to stress current social and religious issues concerning both churches and community, will feature Sidelle Sacks, Director of Fair Housing, Inc., Roxbury; Rev. A. Graham Baldwin, Director of the Greater Lawrence Committee on Mental Health; R. Ashton Smith, Director of Lawrence General Hospital; Norman Fernelli, Associate Director of the Boston Industrial Mission; and Hugh Hill, actor, Yale Drama School graduate, and researcher in religious ritual at Harvard Divinity School.

The public is invited to attend any discussions of interest. Brief religious devotions, for those wishing to partake, will follow each topic. Meetings will begin at 7:30 at Free Church. On Feb. 25, "Fair Housing: An Alternative to Violence" will feature Mrs. Sacks who will present the needs of the urban minority groups

and low-income families for adequate housing and the possibilities of suburban development. March 4 will see Rev. A. Graham Baldwin and Mr. Smith dealing with "Institutional Priorities: Issues or Persons?" an exploration of community program development for the physical and psychological well-being of individuals and the necessary balance between community concern and individual rights. The subject for March 11, when Mr. Fernelli will speak, is "Mass Media: Its Effect on our Souls." The series will conclude on March 18 with a topic of religious significance: "Liturgy: Its Form and Action," presented by Mr. Hill with the assistance of a dance group. It will study the ways of renewing religious values and dedication through participation in ritual.

As part of the goal of the series to create active concern for change among church members and citizens, the programs will also feature the work of local organizations related to social issues such as the Greater Lawrence Area Committee on Mental Health, Andover Committee on Urban-Suburban Responsibility, Lawrence General Hospital, and Andover Citizens for Equal Opportunity.

**Ontario Ice  
Team Here  
Over Weekend**

The Andover Bantam hockey team will play host to two All-Star Bantam hockey teams from Kitchener, Ontario, Canada over this coming weekend playing each team once at Phillips Academy.

The Andover team visited Kitchener earlier this season as part of the team's annual Canadian tour. At that time Andover played a third Kitchener All-Star unit and came away with a 2-0 victory. The two Kitchener teams visiting here are rated as stronger than this unit, however.

The Kitchener teams will arrive in Andover on Friday evening after having travelled the 600 miles by charter bus. The players from both Kitchener teams will be housed in the homes of the Andover team members for the weekend. The group will leave for home on Sunday.

The first game of the series will be played on Saturday evening at 5:30 p.m. Following this game the second Kitchener team will meet the Needham Bantams at 7 p.m.

On Sunday Andover will take on the second Kitchener unit at 8 a.m. with the Phillips Academy Juniors (Freshmen) meeting the other team at 9:30 a.m.

The Andover Bantam team currently sports a 14-2-1 record for the season and is riding the crest of a nine-game victory streak. The only losses of the season came at the hands of the Royal York Bantams of Toronto (1-0) and the Hanover, N.H., Bantams (4-3).

Over the past weekend Andover defeated New Haven, Conn., 7-3, and Providence, R.I., 3-1.

The following boys comprise the Andover roster: goalies; Tom McNamara, Chris Gannon; defense; Penn Hulburd, Mike Murnane, Keith Shugg, Mark Tropeano, Jeff Dimmock; forwards; Ed Flannery (Capt.); Scott Seero, Scott Inman, Bob Farnham, Ken Hubbell, Jeff Drake, George Redman, Ben Whitney, Steve Andrews, Paul Lindholm, Peter Noury, John Christopher.

The coaches of the team are Richard Neal and Paul McNamara.

## Planners Want Big Swim Pool

The town should acquire an Olympic-sized swimming pool for year-round use, should rely on school sites for basic active recreation and develop the Recreation Park as the major recreational center of the town, according to the Planning Board's year and a half long study of recreation and open spaces.

At a public meeting next Thursday, Feb. 26, at 8 p.m. in the high school library, the Recreation-Open Space Committee, chair-manned by Mrs. James Keck of the Planning Board, will discuss its report with other Town Boards and interested citizens.

The Recreation and Open Space Advisory Committee, which the Planning Board initiated about a year and a half ago at the Selectmen's request, employed the consulting services of Shurcliffe, Merrill and Footit, Landscape Architects and Planners, and their report is available on request from the Planning Board,

to study before the meeting next week.

Members of the committee are Mrs. Keck, representing the Planning Board, Eugene Bernardin, representing the YMCA, Mrs. R. Milton Cole, representing the School Committee, Donald Sagaser, member of the former Recreation Committee, and Frederick Stott, representing the Conservation Committee.

The committee's report, which acknowledges signal assistance from Recreation Director Leslie Bartow, Conservation Committee secretary Mrs. Edmund Hammond and Planning Board Head Harold King, calls for more intensive use of existing Town-owned resources, including provision for new recreation possibilities such as sailing on Haggetts Pond and ice skating on all ponds in the winter. They ask for development of the Recreational Park according to a Master plan, which should include

clearing the waters of Pumps Pond to improve swimming conditions.

Additional swimming areas are badly needed, according to the committee. The Olympic-size swimming pool with racing lanes is called the most urgent need, and the committee endorsed the reported school committee plan to ask for a swimming pool as part of the long anticipated addition to the high school. More tennis courts were urged, some with night lights, and improvement of the existing courts.

While the committee and their consultants recommended major reliance on school sites for active recreation of the competitive type, they also asked for acquisition of more land for conservation and passive recreation.

## HOUSING

(Continued from Page One)

program for low-moderate housing.

FinCom head Dr. Albert Greenberg told the TOWNSMAN he agreed with League findings, and lifted a corner of the budget curtain to reveal that the ladies' request has been anticipated.

Consultations with Planning Board head Harold King and Chamber of Commerce president Archibald MacLaren, beginning in December, he said, led to the FinCom's approving and earmarking funds for an in-depth study of Andover's open land, to determine, and provide to the Andover Housing Authority, a choice of feasible sites and optimum locations for low-moderate housing complexes and also for future apartment building proposals.

League vice president Mrs. William Scheerer said a League aim in urging more lower income housing is to preserve and encourage diversity in Andover. She noted that many people whose skills aid the community, such as firemen, teachers, police, skilled workers, and others find it increasingly difficult to remain in Andover, and others of lower incomes are discouraged from moving in, because of the dearth of private or public lower income housing. Besides individual hardships, she said that the lack of adequate lower income housing will render Andover financially topheavy, without balance and diversity.

### Cites Evidence

As evidence, she noted that Andover's "praiseworthy" public housing complexes, comprise only 136 units, which falls far short of the minimum for adequacy called for by new state legislation on low-income housing, Chapter 774.

Passage of Chapter 774, which provides for over-riding of local zoning to achieve adequate low income housing, plus a private developer's proposal for a 100-unit apartment house, turned down by the town last October, were

catalysts in the FinCom's pushing for a professional land study, Greenberg said.

Officials involved want the town to be prepared with the best available judgment and advance planning, in anticipation of future multiple-dwelling proposals. League spokesman Mrs. Scheerer expressed gratification over the planning study.

Greenberg said the open land study should take into account not just acreage, but sewage and other services required, school locations, and availability of shopping by foot or public transportation, so that low-income housing best fits in with other town planning, and also best serves the needs of low income housing residents.

Greenberg said he personally favored the concept of a number of fairly small low-income housing complexes, in various sections of the town. He also agreed with the League aim of encouraging diversity of residents of Andover. "Why else do you suppose the Finance Committee, when they are striving for economy, approved the school budget item for a pilot project to pair an Andover classroom with one on a minority group classroom. How else are the kids here going to find out about other kinds of people?"

### OLDE ANDOVER

Despite a landslide victory for Franklin D. Roosevelt in 1936, Andover remained solidly in the Republican column, giving a substantial margin to Alf Landon.

## Volkswagen builds strong bodies 8 ways.

Volkswagens are tough.

For instance, look underneath any VW and you'll see our famous sealed bottom. This ingenious device protects a VW's insides against everything on the outside. Including time.

Look under the hood of a 1970 Bug and you'll see a more powerful engine that works less and by all calculations, will last longer.

A Volkswagen convertible is made so well, so airtight, it helps to open the window a crack to close the door.

Like all VWs, the Squareback and Fastback sedans are both painted 3 times over. To make what you see look nicer. And to make what you don't see last longer.

Then there's the VW Karmann Ghia. It's made with tender loving care. It takes two men one day just to make two Ghia convertible tops.

The VW Station Wagon and Campmobile are different, too. They don't have frames like other wagons. And they're not bolted together either. Each one is a solid hunk of unitized steel, welded together 12,598 times.

Finally, we make trucks. (And if we make cars as strong as we do, you can imagine how we make trucks.)

So next time you look at a Volkswagen, look at it this way:

It may not have the most beautiful body in the world, but it's one of the healthiest.

ANDOVER HIGH swept to the Little Three basketball championship Tuesday night when for the second time this season they downed North Andover. The score was 74-62 in the game which brought a SRO crowd to the NA gym. The Little Three takes in the two teams plus Methuen. Some of the action of Tuesday night's game is shown here. At left, Paul Howe (31) gets the jump and tips the ball to a team mate. Camera angle in photo at right makes it look like a miss, but Shawn Mason (55) put this one away for Andover.

## Church League Idle This Week

The Andover Church Basketball League, presently in its 23rd season, is idle this week because of the school vacation.

However, after eight weeks of play, two boys appear to be running away with the division scoring championships.

In the Junior Division, Bill Alexander of West Parish A has racked up 95 points in seven games for a classy 13.6 per game average. His closest competitor is Paul Maguire of South Church with 52 points.

Rounding out the Junior players with 30 or more points are Brian White of Baptist with 47, Labeeb Abboud and Dave Bronson of West Parish A with 44 points apiece, Bob Hannon of St. Augustine B with 42 points, John Bohl of St. Robert's A with 39 points, Mark deConstant of West Parish with 36 points, and John Carroll of St. Robert's A with 32.

The second best average is held down by Glenn Verrette. Glenn pumped in 27 points in just two starts for a 13.5 per game pace, but has not seen action since that time.

With just one game left in the Intermediate Division, Keith Verrette has the scoring title all sewn up. The only question appears to be whether the St. Augustine 1 star will reach the 200-point mark.

Keith has gunned in 170 points in eight starts for a 21.3 per

game pace. He also leads in field goals with 76, and free throws with 18.

A battle is on for second place, as George Stedman of Baptist has 86 points, Paul Hoffman of South has 80 points, and Greg Brown of West Parish 1 has amassed 75 points. Any of the three could finish in the runner-up spot.

Rounding out the list of players with 50 or more points are Jim McEwen of West Parish 2 and Roddy Perron of Christ Church with 55 each and Richie Robertson of South with 53 points.

The top one game effort in the Junior Division was Bob Hannon's 22 points. Bill Alexander and Paul Maguire notched 19 points each in one game, Glenn Verrette and Bill Alexander had 18 points, Dave Bronson 17, John Carroll 16 and Brian White 14.

In the Intermediate loop, Keith Verrette poured in 36 points for the top single game output in the entire league this year. Verrette also swished 27 once, 26 another time and 24 in still another game.

George Stedman had 21 in a game, Paul Hoffman had 21 points, Jeff Towne of Baptist 19 and Jim McEwen 17 points.

West Parish A is the top Junior team in the scoring department with 249 points and a 35.6 per game average. They also have the one game high of 67 points. St. Augustine B leads in defense, having

## Rams, Broncos Top Leagues

By Frank Monette

The Rams won the Y court Pee-Wee championship with a 52-4 trouncing of the Roadrunners to end their season with a perfect 9-0 record in this weeks action in the Andover Y Basketball League. Capt. Gerry Cox again led his team to victory with 24 points (151 points for the season) as Bob Muldoon hooped 10 points. Keith Eosefow six points, Allan Gould and George Lannon had four points each, Tim and Steve Dubois dropped in a bucket apiece and Matt Billings and Joe Devalis rounded out the Champs team who were coached by Ron Stanton.

The Roadrunners points came on two hoops by Mike Brennan. The Falcons, who topped two first place teams to win a big game before the World famous Harlem Diplomats two weeks ago, finished a strong second by beating the Hawks 15-6. Leading the Falcons was Geoffrey Bragdon with seven points followed by Capt. Mike Issenberg, Mike Hart, Mike Wilson, and Dan Ackroyd all with two points each. The Hawks scoring came from Capt. Steve Savrann four points and Dan Bolduc two points.

The Broncos won the Voke court championship with a 6-3 record by topping the Panthers who had been tie with them for first place with a 32-18 victory. The Broncos played real hard to win this one as only four players showed up to play because of illness to some of their players. The coaches got their players spirits up and the boys played extra hard and gave an all out effort to pull out the big victory. Leading the champs was Tom Black with 12 points followed by Capt. Paul Rosetti 11 points (Voke scoring king for the season - 75 points) Bruce Slovin seven points, and Kent Reinker two points. Serving as coaches for the Champs were Jim Reinker, Steve Alexander and Andy Sutcliffe.

The Panthers were led by Capt. Ray Rau 15 points, Dave Walsh three points and fine play from Pete Ruocco, Willy and Phil Nikonchuk. In the final Pee-Wee game the Wildcats ended the season tied for second with the Panthers by outscoring the Tigers 19-8. The Cats got a fine overall scoring game from Capt. Mitchell Rousseau who led with five points, Chris Martha and Matt Mirasola hooped four points each and John McEwen, Dave Farrell and Mike Henderson had two points each with fine play from Mark Paulik. The Tigers were led by Capt. Mark Conlon and Neil VanDuinen three points each and Glen Brody two points.

In the Junior Division the Springfield Chiefs moved closer to their championship bid by flying by U.C.L.A. 39-24, for a 10-0 record. They will play Merrimack for the second half season championship next week. The Chiefs were again led by junior division scoring champion Jim McEwen with 22 points (176 points on the season) followed by team mates Richard

Rosetti seven points, Ken Loffredo and Neil Rosenberg four points each, Daryl Gustafson two points and good defense by Bob Moynihan. The losers were led by Capt. Greg Winn 23 points and Dan King one point. The Merrimack Warriors ran by the Southern Cal Trojans 40-24. Capt. Dave Gable and Tom Duffy swished in 16 points each as Doug Theriault, Mark Zurwell, Dave Mirasola and Jaimie Meyers hooped two points each, with fine play from Wayne Belloir and Jay Martha. The Trojans were led by Scott Hammar's 12 points, Capt. Ahern and Tim Fannon six points each. The Boston College Eagles stormed by Texas 47-17.

The Texas Longhorns have been playing without the services of Capt. John McDonald out with a broken ankle and Dave Rosenberg also with a sprain. The Eagles were led by Capt. Bob Murgia 21 points, John Juarez six points, Bob MacMackin, Dave Hempstead, Mark Travis, Brad Morrill and Tim Meyers all with four points each. The Longhorns were led by Glenn Verrette 15 points and Mark Davey two points. In the final Junior game the Boston University Terriers slid by the Ohio State Buckeyes 20-18. The victory was led by Brian Twoomey seven points, Capt. Mark Hammar five points, Mark Davis four points, Bob Peterson and Andy Buck two points each with fine play from Kevin Cronin. The Buckeyes were led by Dan Billings and Paul Connolly six points each, Barry McParland four points, and Duncan Black two points.

In the Intermediate Division, the Knicks clinched at least a tie for first place in the second half standings by bombing the 76'ers 63-29. The Knicks with a fine team effort were led by division scoring leader Jeff Alexander 19 points (226 on season). Brad Koffman 16 points, Keith Verrette 10 points, Greg Fuller eight points, Jeff Sheely six points, and Bob Gildea four points. The 76'ers were led by Joe Conlon 17 points, Dave Lockwood eight points and Mike Sapuppo four points. In the final game of the afternoon the Lakers in a torrid fourth quarter topped the Bullets 56-40. Entering the final quarter, the Lakers played the entire game with only four players. The score was 30-30 but the hot shooting of Dave Sweetser and Andy Silverman 12 to 10 points respectively in the final quarter pulled it out. Andy Silverman led the Lakers with 28 points followed by Capt. Dave Sweetser 20 points, Bart Farrell six points and Steve Brody two points. The Bullets were led by Mark Sweetser 24 points, Capt. Mike Charewicz eight points, Bill DeLuca four points, and Pat Fay and Marty Nikonchuk two points each.

Next week the Pee-Wee Division will have a foul-shooting contest,

while in the Junior Division the Springfield Chiefs meet the Merrimack Warriors at 2:15 and the U.C.L.A. Bruins meet the B.U. Terriers. The B.C. Eagles meet the Ohio Buckeyes at 3 while the Texas Longhorns meet the Trojans at the same time. The Intermediates will begin at 3:45.

Team standings and top scorers follow: Pee-Wee Y 1. Rams 9-0, 2. Falcons 6-3, 3. Hawks 2-7, 4. Roadrunners 1-8. Pee-Wee Voke 1. Broncos 6-3, 2. Panthers 5-4, and Wildcats 5-4, 4. Tigers 2-7. Junior Division: 1. Springfield 10-0, 2. B.C. 6-4, Merrimack 6-4, Texas 6-4, 5. U.C.L.A. 5-5, 6. B.U. 4-6, 7. Ohio 3-7, 8. So. Cal 0-10. Intermediate Division: 1. Knicks 9-1, 2. Lakers 6-4, 3. 76'ers 5-5, Bullets 0-10. Top Scorers: Pee-Wee Y 1. Gerry Cox 151 points, 2. Bob Muldoon 57 points, 3. Hiram Samel 54 points, 4. Geoffrey Bragdon 36 points, 5. Steve Savrann 30 points, 6. Kevin Kenney 26 points. Pee-Wee Voke 1. Paul Rosetti 75 points, 2. Mitchell Rousseau 67 points, 3. Ray Rau 59 points, 4. Dave Walsh 47 points, 5. Jeff Smith and Bruce Slovin 35 points. Junior Division: 1. Jim McEwen 176 points, 2. Dave Gable 152 points, 3. Greg Winn 131 points, 4. Glenn Verrette 129 points, 5. Tom Duffy 110 points, 6. Bob Murgia 100 points, 7. John McDonald 79 points, 8. Bob MacMackin 74 points, 9. Richard Rosetti 72 points, 10. Jay Doherty 69 points. Intermediate division: 1. Jeff Alexander 226 points, 2. Brad Koffman and Joe Conlon 160 points, 4. Dave Sweetser and Andy Silverman 156 points.

### Men's League

#### Begins Action

Standings: Peanuts 5-0, Walnuts, 4-1, Chestnuts, 3-3, Hazelnuts, 0-6.

Second half play in the Andover YMCA Men's Basketball League will open next Monday, Feb. 23. At 7:30 the Peanuts play the Chestnuts and at 8:30 the Hazelnuts meet the Walnuts.

Final standings in the first half will not be decided until the following Monday when the Peanuts and Walnuts will play to decide an earlier game which ended in a tie.

In the last set of games played the Peanuts defeated the Hazelnuts 84-57 and the Walnuts edged the Chestnuts 52-50.

### 30' Over League

In Thirty and Over Basketball, Dana's and the Hornets are still fighting it out for top position. Dana's edged out Dasa in a tight, 48 to 45 game. The Hornets took a commanding lead over the Strobes in the first half. Final score of that game was Hornets 60 and Strobes 41. Twomey looked like a one man team as he led Dana's to their victory by chalking up 28 of their points. Eastman and Fernandez shared the glory for the Hornets by scoring 17 and 16 points respectively.

In other action, it was the Padres over the Falcons by 44 to 32. It was also the Sweepers over the Pick-ups, 46 to 29.

In the League Standing, out of 11 games played, Hornets and Dana's won 10; Sweepers 7; Strobes 5; Dasa and Padres 4; Pick-ups 2 and Falcons 1.

### Eastman Honored

James S. Eastman of Andover, class of 1919, Brown University was honored recently for participation in the school's alumni contribution. Mr. Eastman was singled out as being a decade leader for his particular class.

## REAL ESTATE CORNER

by Warren N. Bixby

"The big fortunes of the future will be made in real estate."

— John D. Rockefeller.

The price of real estate in the United States reflects what buyers are willing to pay. It also reflects the history of nearly two centuries of free enterprise. Ours is a government pledged to defend and perpetuate the right of private ownership of property, both real and personal. This is the hidden guarantee in every real estate deed.

Property, like liberty, is usually thought to be strictly one's own. However, it is not immune from regulation essential for the common good.

Thus, easements are granted for streets, roads, and public utility lines. Zoning restrictions are set, and taxes are levied, all in the public good.

Know what restrictions are on your property BEFORE you sign any papers.

The unexpected death last week of Cliffe Arrand has saddened the many who knew and enjoyed his interests and friendship. Our thoughts go to his wife, Shirley, and three children.

## Editorial Comment

## It Happened Here

A week ago we editorialized on "Drugs," and noted that there was an increase in the number of abuse cases appearing in Lawrence District court, not a few of them from Andover.

Little did we think at the time that within a week, Andover would be put on front pages throughout the nation as "The Greatest" as far as drug notoriety is concerned.

Last Saturday's raid by federal agents, local and state police on a building in the rear of Park Street which netted a shipment of hashish valued in its raw form at more than \$1 million came as the greatest of the drug-oriented shocks ever to hit the town of Andover.

"How could it happen here?" was the voiced and unvoiced thought in everyone's mind.

People from all over the country — and the world — attend Andover's renowned schools. The students of yester-

year are now spread out all over the globe.

When their eyes fell upon the dateline "ANDOVER" in stories carried by the wire services, and they read the dispatches, they must have wondered:

"What ever has happened to that staid old town."

Andover as a distribution point for drugs to pollute millions of minds is abhorrent to everyone.

Our gratitude goes out to the sharp-eyed U. S. Customs Agents who first detected the illegal shipment. The same goes for all those connected with the smoothly conducted raid.

Little consolation to local residents is found in the remark heard downtown following the raid:

"But none of those arrested was from Andover!"

The fact remains, the operation was in Andover and right in the center of town.

## Miss Barrett

The announced retirement of Miss Catherine Barrett as principal of the Central elementary school, strikes another loss to the Andover school system.

Miss Barrett is not only a product of the Andover school system, but a person who has gone more than a step further in devoting her life to our local education system.

There are principals and there are principles.

Miss Barrett was principal of a school, par excellence, but the principles upon which she based the administration of that school are hard to come by.

Dr. Kenneth R. Seifert, superintendent of schools, told the school committee last week that Miss Barrett's "benchmark which will remain, is her kindness and co-operation."

We would like to add that Miss Barrett had more than just that. She had a personal touch with the individual pupil. A desire to help where necessary, to admonish when needed.

Elementary is the category of the school which she administered. These are the grades in which the formation of future years are charted.

Miss Barrett administered them well for many years.

We would doubt that any pupil who gained early guidance from her will be pleased to see her leave Andover's school system, through retirement.

We hope her retirement years will be filled with pleasure and relaxation, for she is fully entitled to them, for having provided Andover with many years of excellent educational administration.

## Sidewalks

One of the most disturbing things in this day, is the practice of young people not to use sidewalks.

The town goes to great expense to provide the sidewalks, construct them, maintain them, even plow them free of snow in winter, yet young people find the roadways more convenient.

Throughout the town, where sidewalks are provided, one can find young people avoiding the protective area and reverting to the more dangerous roads for motor vehicles.

This particular action on the part of young people simply makes way for danger — to themselves and to the motorist.

An unsuspecting motorist travelling along the highway can suddenly come upon people in the roadway, with the result accidents happen, either to the driver and his occupants, or to the trespassers on the highways.

During winter months, the problem is amplified, since young people walking in the road, wearing dark clothing, are not conspicuous.

This is evident often on Elm street, and in other areas of town.

If the town spends thousands of dollars for sidewalks, then they should be used.

Parents continually ask for funds to provide sidewalks in school areas and the town responds.

If the town provides them, then let us have them used.

Let's not have accidents in areas due to negligence of the young people to take advantage of the sidewalks the taxpayers have furnished for their safety.

## Off The Top

## Of The Desk

State Department of Public Works engineers are studying the best solution to the left-turn problem at the intersection of Interstate Route 495 and Route 28 at Union and North Main Streets which has caused considerable discussion among those using the route.

While left turns were formerly allowed for motorists driving south on North Main Street, this practice was halted and left turns prohibited.

Governor's Councillor Thomas J. Lane requested that the U turn be restored. He has been assured by Chief Engineer Daniel S. Horgan of the DPW that the department is making a survey to improve the traffic flow in this area. Councillor Lane had requested better illumination at the site, but the engineers report that the accident record there does not warrant additional lights.

Congressman Chalmers P. Wylie of Ohio, a bit disgruntled at persons making disparaging remarks or actions concerning the country, recently had a number of billboards put up in his district.

The billboards pronounce, "Back it Don't Buck It," with an accompanying display of the American flag.

Congressman Wylie reports a fantastic reaction to his efforts.

The Education Town Meeting, formerly scheduled for Feb. 26

has been rescheduled to Wednesday, March 4, the school's central office has announced, so as not to interfere with Candidates' Night.

Superintendent Dr. Kenneth R. Seifert said the meeting, at Central School Auditorium, will run from 7:30 p.m. to approximately 9:30 p.m., and urged all citizens who have interests and questions to communicate to the school administration to attend the meeting.

Topics set for explanation and floor discussion are the school budget and future educational programming plans. The later date for the meeting will probably mean that alternate plans for school building construction and renovation will be ready for discussion, according to the school superintendent.

There was more than a little confusion in town on Monday because of the advanced observance of Washington's Birthday in Massachusetts.

Many went to the banks, pushed and tugged at doors only to find them closed. Then it dawned on them: it's a holiday.

Some stores were open for business, others were closed.

The mailmen made their rounds and the post office was open. But these federal employees are saving their day for next Monday when they will have their holiday.

Seems everyone will be happy when the country becomes united on its holidays.

## Negro History Week

The display in the main reading room commemorating black culture continues through Feb. 19. Three paintings, two original and one a fine print from a Zululand artist's rendition of a Zulu girl, have been added to the exhibition. One of the original paintings is done in an unusual medium, — the saturated bark of the banana tree. This painting and the second, an original water-color of a river scene, are by Uganda artists.

Eleven visitors to the library took part in the quiz concerning black persons who have made a sizeable contribution to civilization. The winners of the quiz were Nancy Kelly of Sweetbriar Lane and Jesse Harris of South Main St. Congratulations to these two young students.

The new 1970 spring seed cata-

logs are here, ready to be borrowed, and highly recommended for anyone tired of the snow and cold weather. Nothing is more sure to give readers a long, happy, evening of optimistic dreams than a seed catalog or two. The library has them from nurseries as near as Cambridge, and as far away as Arizona. They can be borrowed for one week at a time.

## Saturday Hours

We repeat the hours at Memorial Hall Library because so many calls come every day asking how long we remain open. From Monday through Friday the library is open from 9 to 9. On Saturday the library is open from 9 a.m. to 5 p.m. Parents of small children are asked to take note of the Saturday closing time, especially if they leave their children in the Children's Room to be picked up later. We cannot be responsible for children after closing time.

## 75 Years Ago — February, 1895

No one need want for canned goods judging from the advertisements in this week's issue. A number of items are offered at exceptional prices.

Citizens of Andover are requested to meet at town hall on Feb. 20 to nominate candidates for town offices and any other business that may be transacted.

The school committee has given names to two schools. The John Dove school is designated as the intermediate school and the Stowe school is classed as the grammar school.

One of the most important matters to be acted upon at town meeting this year will be the installation of sewer lines in the center of town.

The first anniversary of the Andover Village Improvement Society was observed this week with an annual meeting and giving of reports.

## 50 Years Ago — February, 1920

Harry Eames, chairman of the board of selectmen, dies suddenly, yielding to an attack of influenza.

Three men will seek election to the board of selectmen and five to the school committee in the town election, according to nomination papers filed this week.

Charles Upham Bell, a local resident and until recently a judge of the Superior Court, is honored by the Essex County Bar Association at a banquet in Salem.

The telephone company has cut in a new cable from the building near the Musgrove building to the pole in front of Memorial Hall library meaning more service for local subscribers.

## 25 Years Ago — February, 1945

Rev. Donald H. Savage, minister of West Parish church since 1938, dies, following a long illness.

A committee composed of Joseph A. McCarthy, Edward V. French, and Sydney P. White, which has been studying the town's water and sewer systems, is about to submit its report.

The next waste paper drive will be held Sunday. All homeowners are asked to have bundled papers on the curb by noontime.

Money for garbage collection, the tercentenary celebration and improvements to the water and sewer system, appear to be the prime items of concern for town meeting.

Chamby Construction Co. of Lawrence proposes vast industrial park in Shawsheen. Town asked to assist in appealing to state to place proposed Route 495 on iron girders rather than filling in area over railroad tracks behind Raytheon Co.

FinCom Chairman Winthrop Newcomb advises that through following the board's advice, the \$26 tax rate can be retained for another year.

The Committee for Town Management endorses all three candidates for selectmen, Russell G. Doyle, Frank Michel and Donald Thompson.

Dump stickers have been issued to 1,174 local residents as of Monday of this week. The sticker must be on the car in order to use the facility.

Community building in Ballardvale is declared unsafe and repairs needed to make it once again a public building.

## Seeks Return To School Committee

Dr. Richard A. Katz

Dr. Richard A. Katz, member of the school committee for the past three years and chairman for the past two years, has announced his candidacy for re-election for a second term.

During his tenure on the committee many changes have taken place in the school system including the selection of Dr. Kenneth Seifert as superintendent, following an extensive search, to replace the retired Edward I. Erickson.

In addition, many new programs

have begun, among which are the non-graded system, specialized reading programs, beginning of curriculum revision and coordination, and expanded high school curriculum. During these years considerable expansion has also taken place with the opening of the new high school, the formation of a second junior high, the opening of the Bancroft School, and beginning construction of the West and Central additions.

Dr. Katz received his bachelor's degree from the University of Michigan and an M.D. from Ohio State University. He served his pediatric internship and residency at the Children's Hospital Medical Center in Boston, and presently serves as instructor in pediatrics at that hospital, and Harvard Medical school. He has practiced pediatrics in Andover for six years, and is a Diplomate of the American Board of Pediatrics and a Fellow of the American Academy of Pediatrics.

In addition to his membership on the school committee, Dr. Katz has served as director of Andover and Greater Lawrence Community Action Committees, as member of the medical advisory board for the March of Dimes, was State Chairman of the Accident Prevention Committee for the American Academy of Pediatrics, and medical consultant for Operation Headstart in three New Hampshire communities.

Dr. Katz resides at 68 Phillips Street with his wife Elaine, and three daughters, Carolyn, Nancy and Elizabeth. The two oldest children attend South School.

## Raytheon Aids AHS Musical

Students will bear lots of responsibility in producing the high school's spring musical, "George M.", but they will get practical advertising and promotion advice from the Raytheon Company -- plus \$1000 in cash toward the production costs.

School Musical Director Ed Grigoli plans a broadly based production, involving a number of the high school departments, and over 100 students.

Raytheon's offer of assistance, announced yesterday by Raytheon's public relations director, Ronald Guitarr and Grigoli, grew from discussions the men had after Raytheon officials visited the high school to give students some idea of how people go about selling advertising. Students' questions about advertising for the musical production led to Raytheon's offer of practical advice to student committee chairmen, and \$1000 toward production costs.

According to the musical director, who has chief responsibility for the musical, the industrial arts department will construct most of the scenery, and he will rely on the art department for posters and also scenery painting. Even the physical education department plays a role.

The physical education department in a musical? Yes, the production based on the life of the exuberant World War I vintage composer has a scene involving gymnastics.

The Voke School has offered materials and assistance for staging and lighting.

The musical director said he could almost bill his actors as "the original New England cast," since one of the attractions of this Broadway hit is that it has never been staged in this area.

Douglas Hamilton will play the starring role of the World War

I era composer who wrote "My Heart Belongs to Daddy", "Over There", and scores of other popular songs, in musical comedies of that era.

Tom Goodwin and Sarah Bragdon will play the parts of Cohan's father and mother, and Patty Po-remba will be his sister, Josie.

Carolyn Davis will be the composer's wife Ethel, and Adele Norey will be Agnes, Cohan's romantic interest after his wife's death.

Larry Bodge will function as George M's partner, Sam Harris.

Dates for the musical production will be May 7, 8 and 9.

## Miss O'Bryan Promoted

Miss Sarah O'Bryan, daughter of Mr. and Mrs. Henry Miles O'Bryan, Porter Road, who lives at 257 East 74th St., New York City, has been appointed Investment Executive of Scudder, Stevens and Clark, investment counsel.

legally imported drugs. The cases were continued for hearing in U.S. District Court, Boston, to Feb. 27 and the three were released in bonds of \$2,000 each.

The case broke when customs officers at Logan became suspicious of the shipment and opened the crates. They discovered the hashish and treated it with a fluorescent substance and nailed the crates back together. From that point on, the crates were under constant surveillance of federal authorities.

eral authorities.

When a Boston trucking firm was engaged to transport the shipment to Andover on Saturday, the truck driver was assisted by a helper -- a federal agent.

Federal Agents Robert Bishop and John Verhegan appeared at the Andover police station at 9:30 a.m. Saturday and explained the situation to Lt. Raymond Collins. The latter assigned Patrolman Richard O. Aumais to assist the agents. Aumais is the department's drug investigator.

The men took up positions in a house facing the lumber shed and

had a perfect view of everything that went on in the yard. During the day they were joined by other federal, state and Andover police, ready for the raid signal.

At 11 a.m., a truck backed up to the landing platform of the former lumber shed and 30 crates were unloaded.

At 2:30 p.m., King drove a rented car to the yard and backed it against the platform, officials said. Curwood and King then placed two wooden boxes in the trunk.

Agent Bishop, in charge of the operation, then gave the word to move in. The well armed police poured out of a cellar door in the building where they had been observing the operation and crossed the yard into the shed where the arrests were made.

The dope and the prisoners were carted off to federal headquarters in Boston.

Sgt. Hector G. Pattullo and Officer George Miller of the Andover police worked with St. Collins and Aumais in the co-ordinated operation.

State Police Capt. Robert D. Murgia, 8 Canterbury St., led the state police contingent taking part in the raid.

Some 20 federal agents gathered for the stakeout and the raid. They and other officers kept in constant communication by walkie-talkie radio.

Town records show that the Park Street property is owned by Robert E. and Sally A. Webster, High St., Newburyport.

Curwood was said by police to have been a roomer at the North Andover residence.

Webster, whose business used space in a building fronting on Park Street reported that he rented the section of the warehouse for use by the group as a music instrument storehouse. Other sections on the property in the rear are also under rental.

The hashish seized Saturday weighed about 600 pounds and when cut and sold on the open market would have brought in millions of

have arrived in the Lawrence  
showrooms of Harrison Park  
Corp., your local authorized  
Volkswagen dealer at 222 Lowell  
Street in Lawrence. With the  
arrival of the new front-wheel  
drive Audi in New England Porsche  
Audi dealerships, their showrooms  
display the world's first volume  
mid-engine production car as well  
as the 140 mph rear engine grand  
touring cars and both station wagon  
and sedan versions of the luxury  
style and front engine Audi.During the Washington's Birth-  
day Open House being held at  
Harrison Park now through Febru-  
ary 21st, you will be able to see  
and test-drive these exciting new  
cars. The Porsche Audi rangeincludes the front-wheel drive  
water-cooled Audi passenger cars  
whose suggested retail list prices  
at U.S. East Coast ports of entry  
range from \$2,995 to \$3,795. High-  
performance Porsche sports cars,  
with mid or rear mounted, air-  
cooled engines, feature sticker  
prices starting at \$3,595 and run  
to over \$9000.The mid-engine Porsche is  
a two-seat sports car with a com-  
bination of race-inspired techni-  
cal features. These include an  
engine mounted ahead of the rear  
axle for optimum weight distribu-  
tion and functional roll bar built  
over the cockpit. The fiberglass  
roof is easily removable to give  
the car the feel of a convertible  
during warm weather.The Two Seater is known as  
the 914. Smaller and lighter than  
other Porsches, the 914 has al-  
ready won praise as "a driver's  
car." It's fully instrumented dash-  
board includes a large diameter  
tachometer and matching speed-  
ometer with resettable odometer  
for trip or rally use.Take advantage of Harrison  
Park's Open House and stop in  
this week to see the Porsche  
sports cars and Audi front-wheel  
drive medium-priced sedans.  
Harrison Park is open Monday  
through Friday from 8 A.M. to  
9:30 P.M. and Saturdays from  
8 to 4. For your convenience,  
the Service Department is open  
Monday through Friday from 7:30  
till midnight.

## Missionary To Speak

Russell Reinert, the first blind missionary to work for the Christian Service Corps, will speak at the Andover Baptist Church, Sunday, at 7:30 p.m.

He and his wife, Alberta, have just returned from a two-year term with Wycliffe Bible Translators in Mexico and Peru on assignment by the Christian Service Corps.

While in Mexico, they operated a children's home for missionary children whose parents were off in isolated Indian villages translating the Bible into native tongues. Russell also held weekly Bible classes for personnel and worked in Bible curriculum development.

In September 1969, they were transferred to Peru, where they worked at the jungle base for Wycliffe. Reinert taught Bible courses for junior and senior high school students in the base school.

When they return to Peru later this year, he will become part of

the administration of the Peru branch of Wycliffe dealing with a broad spectrum of duties from recruiting to counseling.

Russell is a graduate of Gordon College and Divinity School with high grades in spite of his blindness. His wife, who accompanies him, is a native of Vermont and graduate of Lasell Junior College with experience in teaching.

The public is invited to attend.

## Candidates' Night Feb. 24

The second Candidate's Night, sponsored by the League of Women Voters of Andover, will be held on Tuesday, Feb. 24, at the Sanborn school at 8 p.m. Joseph J. Reilly will be the moderator.

All candidates for selectman, school committee, and moderator have been invited to speak. The candidates for selectman will answer the question, "What will be Andover's biggest problem in the 70's, and how would you handle them?" School committee candidates will discuss the areas which, in their opinion, should receive the highest priorities in the preparation of the school budget. The candidates for moderator will discuss their solutions for making the town meeting a more efficient procedure.

All candidates will entertain questions from the floor. Refreshments will be served following the meeting.

### PTA Forum

On Wednesday, Feb. 25, the West School PTO will sponsor a "Meet the School Committee Candidates' Night" beginning at 8 p.m.

According to PTO president Harold O. Keegan, all members of the present school committee, Chairman Dr. Richard Katz, Mrs. Virginia Cole, William Doherty, Dr. Daniel Frishman and William King, have accepted invitations to be present, as will candidates Atty. Irving L. Newman, Leo F. Griffin, Frank J. Hill, and Jerome P. Hochschwender. Mr. Hochschwender is currently second vice president of the West School's PTO.

Classroom visiting will precede the meeting and will begin at 7:15 p.m.

All parents of West School pupils are urged to attend to hear all the candidates' views for themselves. 1970 PTO dues are now payable and will be collected at the meeting.

### Candidates Invited To

#### West Andover CA

West Andover Community Association Candidates' Night will be held Feb. 23 at 8 p.m. at the Andover Community Center, River Road. All candidates are welcome. The public is invited.

## Heart Drive Comes Sunday

Sunday, Feb. 22, is the annual "Heart Sunday." On this day volunteer workers for the Massachusetts Heart Association will be visiting their neighbors to solicit donations for the Heart Fund Drive. In previous years, the residents of the Andover community have been most generous in their contributions.

Donations to the drive are used to fight heart and blood vessel diseases.

### For Those Of Us Who Are Older

The regular monthly luncheon for Andover's "over-60" citizens is scheduled for Tuesday, March 3 at the Greater Lawrence Regional Vocational High school at 1 p.m. Free bus transportation will be available as usual and will leave The Haven at 15 Barnard St. promptly at 12:30. Reservations are necessary and may be made by phoning The Haven any weekday between 10 and 4. The Haven phone number is 475-3968.

Those who have signed up for the Loon Mountain trip, March 9, are asked to pay for their reservations as soon as possible. Transportation cost is \$3.65. Lunch will be extra.

### ANDOVER EXCEEDS COUNTY FUND

Andover exceeded its 1969 contributions to the Essex County Health Association, according to figures released this past week.

Total receipts from the town were \$5338.75 which was \$233.36 more than a year ago.
